

BECKY MANCINI

December 2017 Newsletter

The adventure begins and you meet Lucy and her friend Mr. Tumnus. We offer you some Turkish Delight and share how Edmund betrays his family to the White Witch. Have you ever made a mistake before, we ask? You hear about Aslan the Lion, how the Beavers hope in his return and how he will save them from the White Witch. This interactive journey is based the The Lion, The Witch, and The Wardrobe. Aslan is a type of Jesus. He is the redeemer in the story. He is fierce and he is always good. He is majestic, he is the constant guardian, protector and helper of Narnia. He is strength to those who believe in Him. Just like Jesus. He is fierce and He is always good. The Narnia Adventure is about mistakes, repentance, forgiveness, and redemption and as we share this story, we share the truth of the Gospel.

Next Year

January - Working in Media, helping in Sunshine Corner which is a Sunday School type program in Nuneaton, and working with our Youth Group at The Kings Lodge.

April - Staffing the Discipleship Bible Course, a three month Bible Training School where we teach the Inductive Study Method and the Bible Overview. Those who finish this course are able to teach the Bible Overview.

Prayer Requests:

1. Mind of Christ when organizing and leading the Media Department the next three months, growing in skills and confidence.
2. Unity for the Discipleship Bible School, that the right staff and students would come and that we would work well together and the school would not only run well but be lead by the Lord and we would all grow in our understanding of the Bible
3. Revival within the Church, in the Midlands and this Nation. Creative ways to engage and share the gospel, and love the community. A fresh outpouring of the Holy Spirit and that we would be effective in how we reach the world for Christ.
